A veteran or a deceased veteran's surviving spouse may also be eligible for Special Monthly Compensation based on being housebound (substantially confined to the immediate premises because of permanent disability). For a veteran, the disability causing the need for aid and attendance or housebound status must be related to service. These benefits are paid in addition to monthly compensation or Dependency Indemnity Compensation (DIC). They are not paid without eligibility to compensation.					
Special Monthly Pension (SMP) - Veterans and survivors who are eligible for Veteran's Pension and/or Survivors benefits and require the aid and attendance of					

another person in order to perform personal functions required in everyday living, such as bathing, feeding, dressing, attending to the wants of nature, adjusting prosthetic devices, or protecting them from the hazards of their daily environment, or are housebound (substantially confined to their immediate premises because of permanent disability), may be eligible for Special Monthly Pension (SMP).
