| enrolled for VHA health care, you have the option for VBA to electronically notify VHA about certain upcoming event(s) during your claim and/or appeal process. These events are any scheduled compensation and pension (C&P) examination, hearing before the Board of Veterans' Appeals, and any decision notification. When notified, VHA will place an indicator in your medical record to alert VA health care providers that these events are scheduled to occur. Notifications to VHA would only indicate the type of event and potential time frame, not any details specific to your claim. The indicator in your medical record would not identify your claim as MST-related, but at this time, only claimants filing MST-related claims are provided this notification option. For this reason, providers may know that the indicator is in relation to an MST-related claim. The decision to consent, not consent, or revoke prior consent into the automatic notification system will not affect the status or outcome of your claim. If you would like VBA to send these electronic notifications to VHA, please indicate your consent by selecting a check box below. | | | |
